Seyyed Mehran Maghami

Maghami_net@outlook.com

EDUCATION

Allameh Tabataba'i University

Bachelor's degree, English Translation
Activities and societies:
Participated in translation workshops, honing skills in literary, technical, and legal text communication activities, enhancing cross-cultural understanding. Collaborated in the Literary Translation Group, analyzing contemporary and classic literature. Actively participated in English debates, improving rhetorical skills and critical thinking. Volunteered as an English tutor, fostering a collaborative learning environment. Conducted research on AI in translation, presenting findings at university symposiums and contributing to academic growth. Contributed to student publications, showcasing talents in writing and translation.

Imam Bagher University

Bachelor's degree, Cyber Security

PROFESSIONAL EXPERIENCE

Arjang Institute of Higher Education   2025-Present

Instructor

Delivering comprehensive courses on networking principles, protocols, and technologies.
- Developing and updating curriculum materials tailored to the evolving needs of the industry.
- Mentoring and guiding students through complex networking concepts and practical applications.
- Staying abreast of the latest advancements in networking to ensure students receive cutting-edge education.

My passion for teaching and networking drives me to create an engaging and interactive learning environment, ultimately fostering a community of skilled and confident networking professionals.

MTN Irancell   2024-Present

SSL VPN Consultant

In this role, we work extensively with Cisco ISE and Cisco ASA, integrating with Firepower as part of our new design, which another team is actively developing. Our team is responsible for supporting all MTN Irancell users, resolving their issues, and ensuring robust network security.

My expertise includes:

Cisco ISE (Identity Services Engine): Configuring and managing network access control, authentication, authorization, and policy enforcement.

Cisco ASA (Adaptive Security Appliance): Implementing and maintaining firewall solutions, VPN configurations, and advanced threat defense.

MTN Irancell   2023-Present

Edge Security Solutions Consultant

My expertise includes:

SRX 5800 Firewalls: Managing and maintaining regional and capital SRX 5800 firewalls, ensuring optimal performance and security.

PRTG Monitoring System: Utilizing PRTG for effective network monitoring and real-time analysis.

Huawei Cloud Engine Devices: Working with Huawei Cloud Engine devices to optimize network performance and reliability.

Cisco Routers, Switches, and Firewalls: Configuring and maintaining Cisco routers, switches, and firewalls to ensure seamless network operations.

Network Security Protocols: Implementing and managing various network security protocols to protect against threats and vulnerabilities.

Incident Response: Quickly identifying and responding to security incidents to minimize impact and restore normal operations.

Collaboration with IT Teams: Working closely with IT teams to develop and implement comprehensive security strategies.

I am dedicated to providing cutting-edge security solutions and ensuring the seamless operation of our network infrastructure.

Media Pardaz System   2023-Present

Senior Network Engineer

MTN Irancell   2022-2023

Cisco ACI Consultant

 Worked on the implementation and management of Cisco Application Centric Infrastructure
(ACI).

Automated infrastructure deployment and governance using Cisco ACI.

Simplified network management and enhanced security across data centers.

Provided training and support on Cisco ACI features and best practices.

Padjam Polymer Development Company   2020-2022

Network and Security Consultant

  Designed and implemented robust network security solutions using Cisco Firepower and
  FortiWeb firewalls.

  Conducted regular security assessments and audits to identify vulnerabilities.

  Developed and enforced security policies and procedures.

  Collaborated with IT and management teams to ensure compliance with industry standards.\

Arya Sasol Polymer Company   2019-2021

F5 Consultant

  Implemented and managed F5 firewalls, including features such as behavioral analytics,
  Layer 7 DoS mitigation, and application-layer encryption.

  Conducted security assessments and optimized firewall configurations.

  Provided technical support and training on F5 firewall features and best practices.

  Collaborated with the IT team to enhance network security and performance.

SEMATEC IT Training Center   2018-2024

Instructor and Engineer

  Develop tailored training materials and hands-on lab exercises.

  Foster a dynamic and engaging learning environment.

Delivered training sessions for major organizations including Irancell, Hamrah Aval, Telecommunication Infrastructure Company, Regulatory Authority, Presidential Office, Supreme Leader's Office, Armed Forces General Staff, Imam Institution, Astan Quds Razavi, Persian Gulf Holding, Arya Sasol, Jam Petrochemical, Pad Jam Petrochemical, Agah Group, Golrang Group, System Group, Dey Insurance, Saman Insurance, Saman Bank, Tejarat Bank, Sepah Bank, Melli Bank, Mellat Bank, Sina Bank, Shahr Bank, and more.

COURSES AND CERTIFICATIONS

Cisco

- Cisco Certified Network Associate (CCNA) 200-301
- Cisco Certified Specialist - Enterprise Core (ENCOR) 350-401
- Cisco Certified Specialist - Enterprise Advanced Routing and Services (ENARSI) 300-410
- Cisco Certified Specialist - Security Core (SCOR) 350-701
- Cisco Certified Specialist - Securing Networks with Cisco Firepower (SNCF) 300-710
- Cisco Identity Services Engine (SISE) 300-715
- Cisco Email Security Appliance (SESA) 300-720
- Cisco Certified Specialist - Service Provider Core (SPCOR) 350-501
- Cisco Certified Specialist - Service Provider Advanced Routing Implementation (SPRI) 300-510
- Cisco Certified Specialist - Data Center Core (DCCOR) 350-601
- Cisco Certified Specialist - Data Center ACI (DCACI) 300-620
- Cisco DevNet Associate (DEVASC) 200-901

F5

- F5 Full Course (Admin T-shoot, LTM, AWAF, AFM, DNS)

Juniper

- Juniper Networks Certified Associate - Junos (JNCIA-Junos) JN0-104
- Juniper Networks Certified Specialist - Enterprise Routing and Switching (JNCIS-ENT) JN0-348
- Juniper Networks Certified Associate - Security (JNCIA-SEC) JN0-231
- Juniper Networks Certified Specialist - Security (JNCIS-SEC) JN0-334

Fortinet

- PCA - FortiGate 7.4 Operator
- PCE - Getting Started in Cybersecurity 2.0
- PCE - Introduction to the Threat Landscape 2.0
- PCP FortiAnalyzer 7.4 Analyst
- FCP - FortiGate 7.4 Administrator
- FPCP - FortiManager 7.4 Administrator

- Fortinet Certified Associate in Cybersecurity
- Fortinet Certified Fundamentals in Cybersecurity

Huawei

- Huawei Certified Network Associate (HCNA)
- Huawei Certified Network Professional (HCNP)

IELTS Certification

- Academic IELTS Certification
- Band score: 8.5 (C2)

Iran Language Institute

- Advanced
- Average rating: Outstanding (91-100)

LANGUAGES

- English

  Native or bilingual proficiency

- French

  Limited working proficiency

- Persian
